

15-th Anniversary International Student Seminar on Microwave and Optical Applications of Novel Physical Phenomena

Saint Petersburg, Russia, May 19-21, 2008

Organized by

**Microwave Microelectronics Laboratory,
St. Petersburg Electrotechnical University "LETI"**

General Chair

**Prof. Orest Vendik
St. Petersburg Electrotechnical University "LETI", Russia**

Scientific Committee

**Prof. Erik Kollberg – Honorary Chair
Chalmers University of Technology, Sweden**

**Prof. Irina Vendik – Vice-chair
St. Petersburg Electrotechnical University "LETI", Russia**

**Prof. Sergei Tretyakov
Helsinki University of Technology, Finland**

**Prof. Filiberto Bilotti
University of Roma Tre, Italy**

**Prof. Ferran Martin
Universidad Autonoma de Barcelona, Spain**

**Prof. Alexander Schuchinsky
Queen's University of Belfast, UK**

Local Organizing Committee

Prof. Sergey Karmanenko

Maria Kiseleva

Dr. Margarita Sitnikova

Dr. Alexey Ivanov

Dr. Svetlana Zubko

Dmitry Kholodnyak

Evgenia Zameshaeva

Natalia Medvedeva

General sponsor

Supported by

**Network of Excellence "METAMORPHOSE",
6FP of the European Commission**

The Government of Saint-Petersburg

The Russian Union of Industrialists and Entrepreneurs

Saint Petersburg Association of Scientists and Scholars

The Institute of Electrical and Electronics Engineers

Call for Papers

Seminar Topics

1. Electromagnetic properties of metamaterials
2. Bianisotropic media and media with strong spatial dispersion
3. Microwave ferroelectrics and ferromagnetics
4. Composite magnetic materials
5. Electromagnetic and photonic band gap structures
6. Active, smart and controllable microwave and optical systems
7. Controllable impedance surfaces and screens
8. Tuneable materials and devices
9. Superconducting materials and their microwave applications
10. Applications of metamaterials in microwave devices
11. Devices using new composite materials and artificial transmission lines
12. Small and conformal antennas for mobile equipment
13. Novel technologies for microwaves

Important Dates

Abstract submission deadline is **March 3, 2008**

Notification of acceptance by **March 31, 2008**

Full paper submission deadline is **April 14, 2008**

Important Information

The registration fee for full-time students and Ph.D. students is **100 €**

For visa support, please contact the Organizing Committee before **March 3, 2008**

Information for Authors

The official language of the Seminar will be English.

Presentations will be oral and poster. Each oral presentation is limited to 20 min. including 5 min. for questions and discussions.

The abstract length is about 250 words.

The length of full paper is limited to 3 pages, including tables and figures. Papers should contain an abstract and a brief conclusion. The title, author's name, affiliation and full address (including phone number and e-mail) must be provided in the beginning.

All abstracts and full papers must be submitted electronically in PDF format through the following paper submission page www.school.metamorphose-eu.org. Contact details of the authors will be required prior to uploading the papers. Only electronic submission via the web portal will be accepted. Hard copies will not be accepted.

Contact Information

For more information please contact:

Ms. Evgenia Zameshaeva – Secretary of the Organizing Committee

E-mail: MWLab@eltech.ru Tel./Fax: +7 (812) 346 08 67

Postal address:

Microwave Microelectronics Laboratory,
Department of Microelectronics & Radio Engineering,
St. Petersburg Electrotechnical University "LETI",
5, Prof. Popov st., 197376, St. Petersburg, Russia
